

MONARFLEX® Band

-for short-term jobs

Four good reasons to choose MONARFLEX®:

-  Uniform quality in every delivery
-  Local stocks throughout Europe
-  One supplier for all PE sheeting
-  A broad fixing accessory range

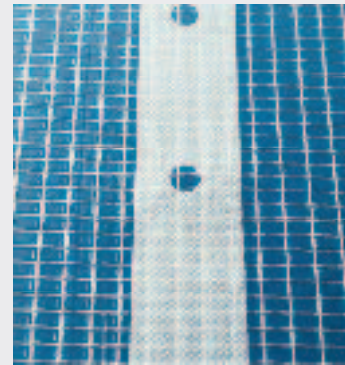

Setting the standard
MONARFLEX® is setting the
standard in scaffold sheeting

Technical data

Available sizes	Gross weight g/m ²	Number of bands	Roll weight	Tensile Strength	Pull-out Strength	Tear Strength
MONARFLEX® Band 160						
2,70 x 30M	160	4	13 kg	12 kN/m	>500 N	>190 N
3,20 x 30M	160	5	16 kg			
4,15 x 30M	160	6	20 kg			
MONARFLEX® Band 200						
2,70 x 30M	200	4	17 kg	12 kN/m	>500 N	>190 N
3,20 x 30M	200	5	20 kg			

Features

MONARFLEX® Band 160 and 200 are products from the broad MONARFLEX® product range. Reinforced polyethylene sheeting with extra thick bands to increase the technical properties to comply with the standards of the building industry. Compared to similar products, we guarantee you a uniform quality on every delivery. The bands have pre-punched holes per every 100 mm making the fixation to the scaffold an easy job. Each roll is reeled a onto a cardboard core for easy application and wrapped individually in a clear film for protection.

Durability

We recommend you to use MONARFLEX® Band for temporary projects not exceeding 3 months due to the composition of these products. Should you have projects exceeding this period, we recommend other reinforced products from our product range.

Application

MONARFLEX® Band can be applied both vertically and horizontally. The fixing bands are placed to suit most standard scaffold systems. Fixing the sheeting to the scaffold must be done according to calculations taking factors like wind, building season and height of the surrounding buildings into consideration. We recommend the use of 1 fixing/m² but any fixing must be placed according to calculations.

MONARFLEX® Product range

Monarflex® is one of the worlds leading producers of reinforced scaffold sheeting. The MONARFLEX® product range includes products for all types of projects in all type of weather. Please contact us for further details.
